Winchmore Brickwork Core values

Winchmore Brickwork has in place a set of core values that detail the expected attitude for all its employees and sub contractors.

The company, to this end will endeavour to accomplish its goals and meet its targets in the respectable and ethical manner that it has built its reputation on. It will venture to ensure its business dealings are in full conformity with all pertinent laws, ACOP's and regulations.

The values on which Winchmore Brickwork base their business activities are built on high ethical and moral values. To this end the company expects all sub contractors and employees to meet *these* basic values at every opportunity when representing the company.

- HONESTY
- NEUTRALITY
- OBJECTIVITY
- "BE BOTHERED"
- CLIENT SATISFACTION

Employees, sub contractors and suppliers will ensure that they do not partake in any activities that may call into question any of WB's core values.
